Subject: hoosick falls Mayor Borge Draft
Attachments: Letter to Mayor Borge_March 14 Draft.docx

Hi Basil: On February 5, 2016, Mayor Borge wrote to you, me and Health Commissioner Zucker with a series of questions. Initially, we were told that we should plan on a joint response and then later we were told that the state agencies would respond on their own verbally. Attached is a draft that I would send to the mayor just from EPA. Please review and let me know if you see any factual problems. I want to draw your attention to the section about the McCaffrey Avenue site. I am happy to talk by phone on Tuesday or Wednesday to discuss that matter further. I am in Albany on Friday and can meet in person if you prefer. Or, I could come up on Thursday afternoon if that is better for your schedule. Thanks, Judith
